You welcomed Jesus with open arms in Second Coming. You marveled at his return in Second Coming: Only Begotten Son. Now the book that turned the comics industry upside-down with "quite a bit of humor…[and] a lot of heart" (The New York Times) is back for its third act. Written and co-created by 2022 Eisner winner Mark Russell (Not All Robots, BILLIONAIRE ISLAND), Second Coming: Trinity finds Jesus Christ, the Son of God, tackling his biggest challenge in 2000 years: babysitting a child with super powers! Meanwhile, his roommate—the super-hero called Sunstar—faces his greatest enemy, and his own guilt, in a court of law. It's "The Nanny" meets The Bible—with a superpowered baby! Collects all six issues of the miniseries.

SNELSON: COMEDY IS DYING TP

IN-STORE DATE | 9/6/2023
FOC DATE | 8/6/2023

In the 1990s, "edgy" standup comic MELVILLE SNELSON had it all—but twenty-five years later, his jokes come off as tired and offensive. Desperate for a comeback, Snelson sets out on tour with a group of young, socially conscious comedians. Can a '90s has-been hit the big time, or is Snelson about to be cancelled for good? A hilarious, definitely adult contemporary satire that mocks the dying breaths of white male entitlement. "The best satire in America is between these covers. So dark, so rich, and so beautifully, eerily rendered."—David Sedaris. "I love this book. I know this character. Wait — AM I this character?"—Patton Oswalt

AHOY Comics Celebrates Five Years With an Epic 13-Part Prose Serial!

THE ALL-STAR ANNUALLY CONVENING COZY DETECTIVES CLUB in PARTIALLY NAKED CAME THE CORPSE!

...is a thirteen-part epic that kicks off with an extra-long first installment by bestselling writer **Grant Morrison**, whose many award-winning comics works include JLA, New X-Men, and Green Lantern, and whose first novel Luda was published last year to great acclaim. The serial will debut in **PROJECT CRYPTID #1**, the first of AHOY's new fall titles, which will be available in stores on **September 6th, 2023**.

Over the following three months, **PARTIALLY NAKED CAME THE CORPSE!** will weave in and out of all AHOY's regular titles, including fifth anniversary specials and newly launched series. Writers include recent award-winners **Mark Russell** (SECOND COMING) and **Alex Segura** (Secret Identity), Marvel writer **Torunn Grønbekk** (Thor), plus a murderer's row of AHOY stars: **Bryce Ingman, Carol Lay, Carrie Harris, Hanna Bahedry, Audrey Ryer, Kirk Vanderbeek, Lisa Jonte, Stuart Moore,** and **Kek-w.**

Jon Proctor's artwork will adorn each installment, beginning with this mind-blowing illustration.

New chapters will appear in **CON & ON #3** (September 13th), **BLACK'S MYTH: THE KEY TO HIS HEART #4** (September 20th), and **SECOND COMING: TRINITY #6** (September 27th), as well as all AHOY titles appearing in October and November. And it all begins with this ominous sentence:

In addition to top-quality story and art, AHOY Comics has become known for the short prose extras that run in the back of every title. Now, as part of our gala fifth anniversary, a baker's dozen of the comics industry's finest prose writers have combined to craft an epic serial that will run through the AHOY line this fall.

The facts in the case were all too obvious; this room was a place where Murder had strolled in like it owned the joint, pulled up a chair and made itself very much at home...

Eisner Award-winning writer Mark Russell (NOT ALL ROBOTS) returns to AWA with his latest dark satire, with art by Ramon Rosanas (YEAR ZERO VOL. 1). Meet Bob Schrunk, technocrat billionaire, collector of bad art, and victim of a hideous skin condition that can only be treated with a highly illicit and definitely not FDA-approved face cream that must be... harvested. From human beings. Bob isn't unfair, though. He's happy to let his guests select who will be next to be banished from the Rumpus Room and sent to their doom. There's just one thing Bob doesn't know: One of his current guests is an undercover cop—and she's carrying a concealed gun.

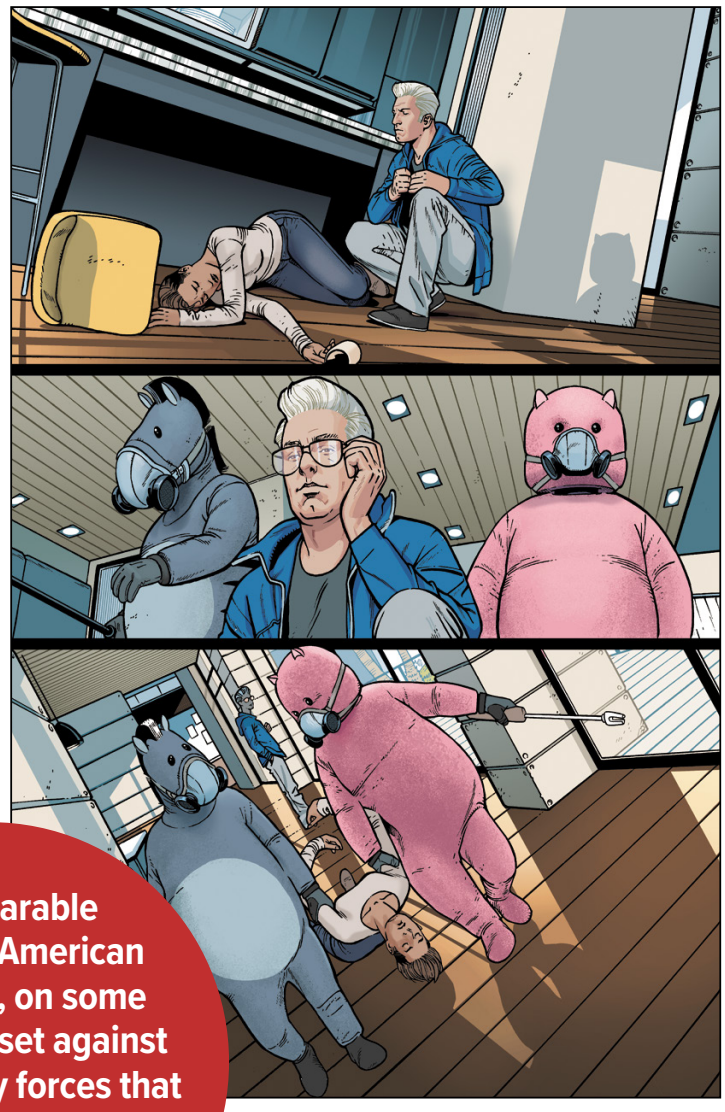
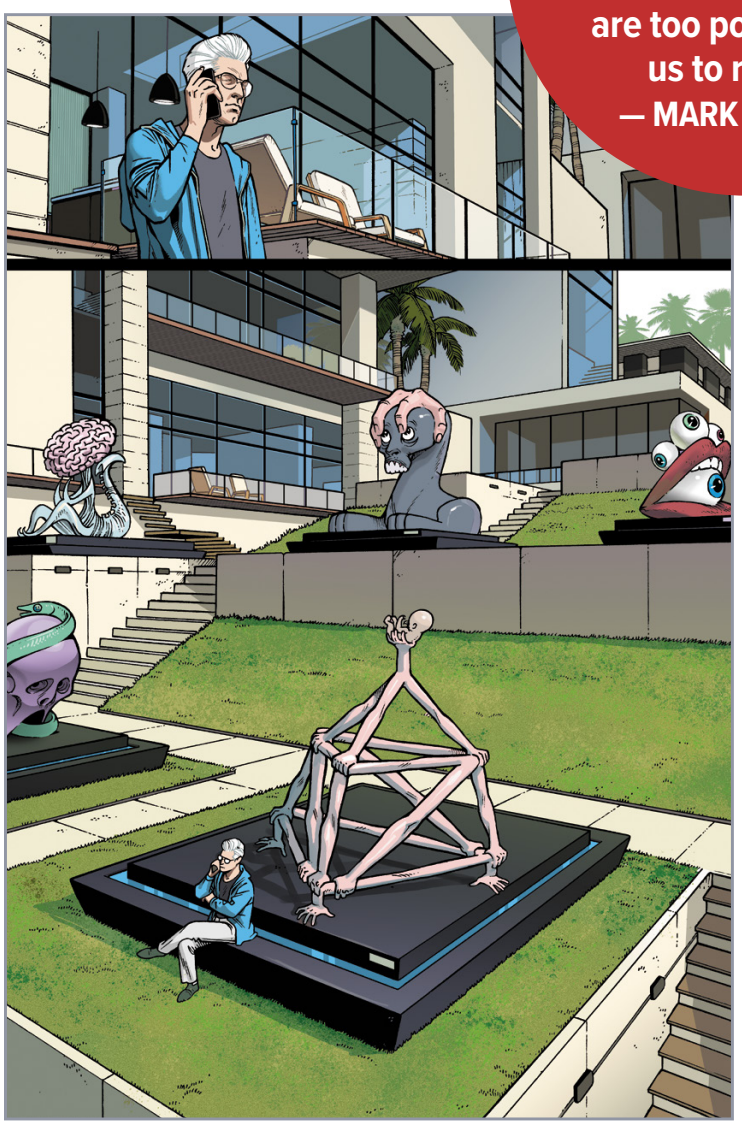
RUMPUS ROOM #1

Illustrated by **Ramon Rosanas** Colored by **Ive Svorcina**





"It's a parable for how in American civilization, on some level, we're set against each other by forces that are too powerful for us to reach."
— MARK RUSSELL

"RUMPUS ROOM tells the story of a social media billionaire who keeps people who cross him, or were problematic, walled up in a Rumpus Room," explains writer Mark Russell. "Not one to waste things, he actually has them, one by one, crushed into a skin cream. But he does allow them the benefit of voting on the next person [to be] put in the Rumpus Room and the crushing chair—so he does give them that."

"It's a parable for how in American civilization, on some level, we're set against each other by forces that are too powerful for us to reach."

"We live in this age where we've created these sorts of cults of personality around people like [Elon Musk] and Donald Trump," explains Russell.

"It's like, I think, the underlying assumption of American life as well: 'I can't do anything about the real things that are destroying me, so I'll take out my rage against the person I can take it out on.' [RUMPUS ROOM is] about this misguided anger that we have and how we are weaponized against each other."

As the series kicks off in issue #1, Schrunk comes face to face with a (former) employee-related issue that will have him scrambling for Human Resources to get involved—if he hasn't ****ing fired all those dipsh*** already!

YES, ELLIOT, I GOT THAT.
WHAT'S SO SPECIAL ABOUT IT, ANYWAY? I MUSTA SEEN YOU READ THAT, LIKE, A HUNDRED TIMES.
IT'S THE LAST ISSUE OF MAJOR VOLTAGE ADVENTURES, WRITTEN BY THIS CRAZY ENGLISH GUY, ALWYN MUIR. CAME OUT THE YEAR I WAS BORN.
IT'S REALLY WEIRD. IT ENDS ON THIS MASSIVE CLIFFHANGER. BUT IT WAS NEVER RESOLVED.
THERE'RE LOTS OF ARGUMENTS ONLINE THAT IT'S SOME KIND OF COMMENTARY; BUT MORE LIKELY A DISAGREEMENT BETWEEN MUIR AND THE PUBLISHER.
MUIR JUST SAYS HE DOESN'T KNOW WHAT HAPPENS NEXT. THE PUBLISHER DID THE UNTHINKABLE AND, LIKE, REBOOTED THE WHOLE UNIVERSE AFTER THIS LINE WIDE CATACLYSM, BUT THE MAJOR VOLTAGE FAMILY NEVER RETURNED TO PRINT. IT'S REALLY CRA—
WOW.

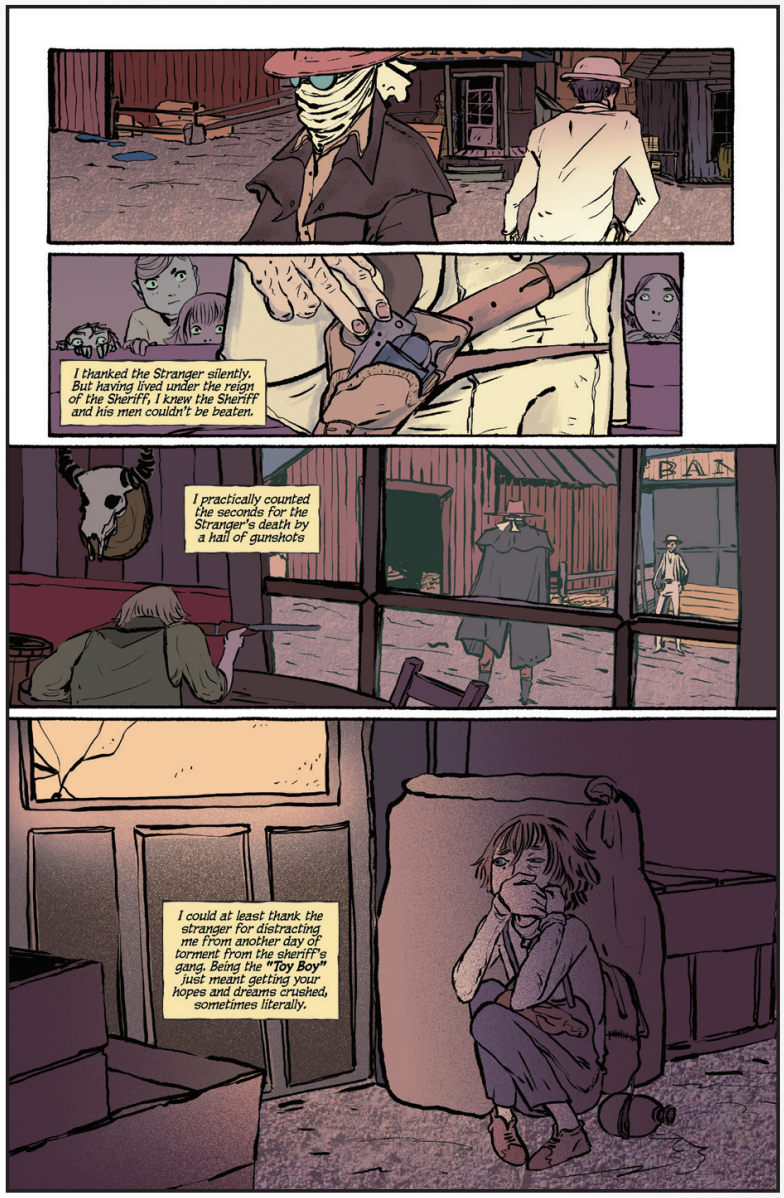
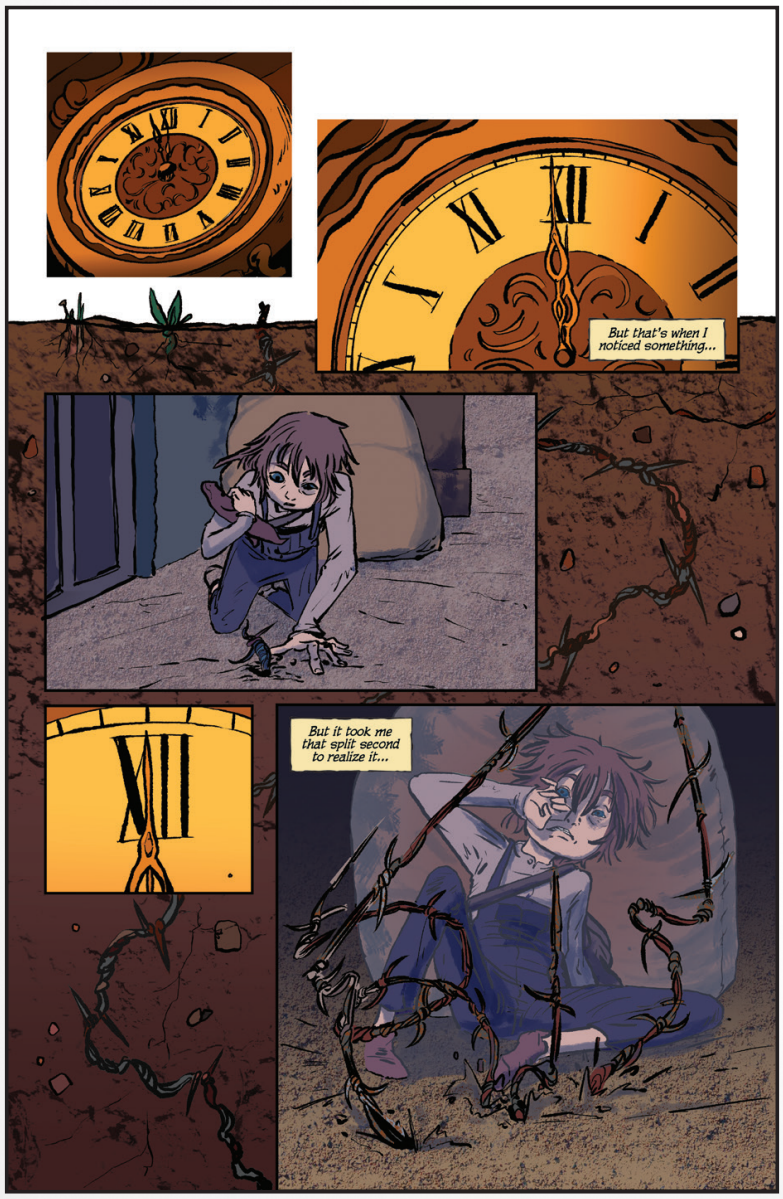
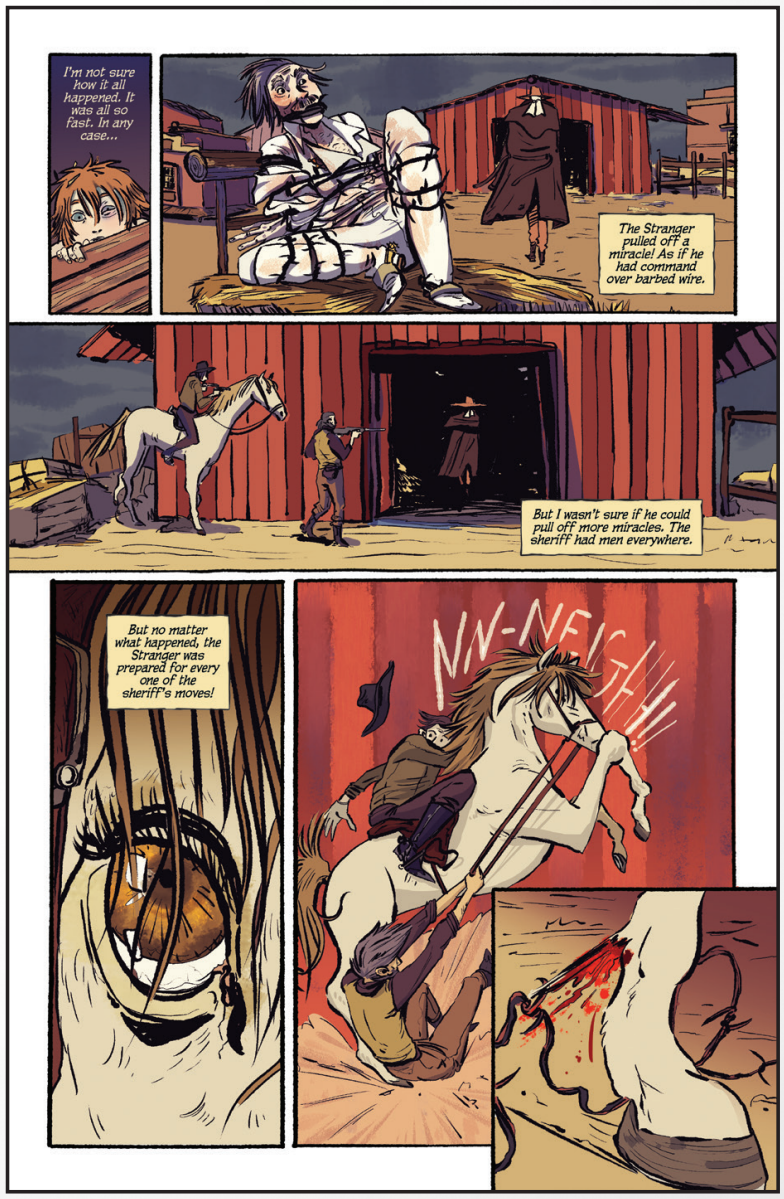
SOMEWHERE IN SOUTH DAKOTA
1879
In a town that will eventually become nothing more than a memory, a corrupt sheriff rules. His only concern: himself.
I was getting one of my semi regular beatings for being in the wrong place when this stranger came to town.
I wasn't sure if this stranger was a bail agent or a Good Samaritan. It didn't matter.



I thanked the Stranger silently. But having lived under the reign of the Sheriff, I knew the Sheriff and his men couldn't be beaten.
I practically counted the seconds for the Stranger's death by a hail of gunshots
I could at least thank the stranger for distracting me from another day of torment from the sheriff's gang. Being the "Toy Boy" just meant getting your hopes and dreams crushed, sometimes literally.



But that's when I noticed something...
But it took me that split second to realize it...



I'm not sure how it all happened. It was all so fast. In any case...
The Stranger pulled off a miracle! As if he had command over barbed wire.
But I wasn't sure if he could pull off more miracles. The sheriff had men everywhere.
But no matter what happened, the Stranger was prepared for every one of the sheriff's moves!

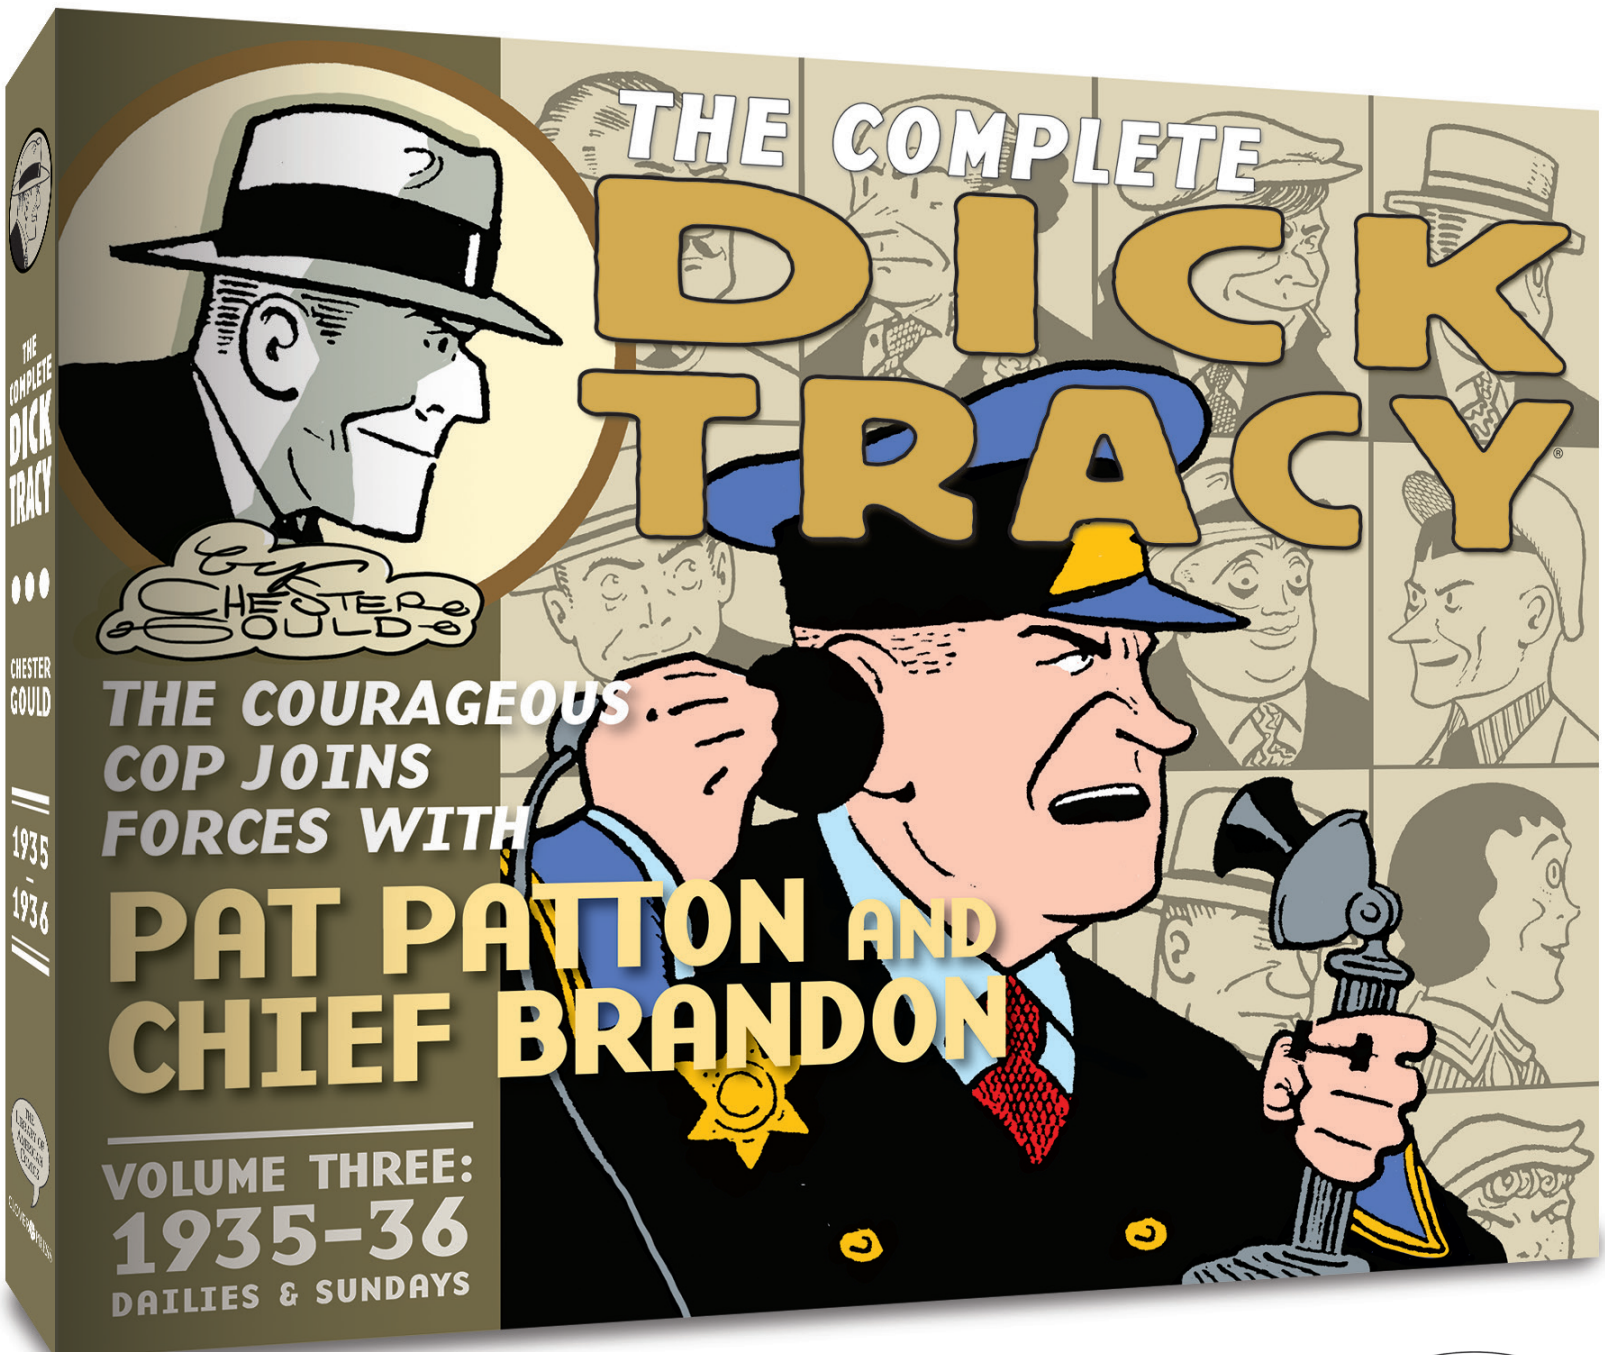
CLOVER PRESS®

Clover Press and **The Library of American Comics** prove that size does matter as we fulfill fans' long-standing requests to produce new editions of the first six volumes of **Chester Gould's *The Complete Dick Tracy***.



THE LIBRARY OF AMERICAN COMICS

THE COMPLETE DICK TRACY VOL. 3: 1935-1936

Writer/Artist: **Chester Gould**

Lawless days like the mid-1930s needed the toughest policemen to dispense justice—men like Dick Tracy! In Volume 3 of his long-running series, the bold detective tangles with Zora Arson, her escaped-con brother, Boris, and the evil "Cutie"—who gets cute by springing a death trap involving two famished bobcats! Clover Press and The Library of American Comics are re-presenting Chester Gould's earliest Dick Tracy stories in the larger format used throughout most books in the series, so Tracy's battles against gangsters look bigger and better than ever. The action hits closer to home when the Tracy family's acquaintance, Toby Townley, learns that justice is blind after the small grift she runs makes her realize that prison stripes are the new black. This new edition of Dick Tracy Volume 3 puts Chester Gould's great stories into a great package!

THE LIBRARY OF AMERICAN COMICS

THE COMPLETE DICK TRACY VOL. 4: 1936-1937

Writer/Artist: **Chester Gould**

Faceless foes bookend the stories in Dick Tracy Volume 4, the latest entry in the Clover Press/Library of American Comics reissue of the original six Dick Tracy volumes in the larger format that became the series standard. The intrepid detective and his friends tackle invisible enemies when they square off against the notorious Purple Cross Gang and their masked leader. Later, Tracy and Pat Patton come to grips – and blows! – with The Blank, whose look predates The Question, whose name predates The Shining, and whose unmasked face harkens back to Lon Chaney as Quasimodo! Sandwiched between those two tales, Tracy is caught in a web of intrigue along with three amoral young girls, millionaire wastrel Johnny Mintworth and his mother, plus the powerful mobs fronted by "Collie" Vinsso and Danny Supeena. Chester Gould puts menace in every shadow and death around every corner in Dick Tracy Volume 4!

Crime is down in Gotham City...Could that be a bad thing?

A coordinated effort in Gotham has led to a reduction in violent crime, but at what cost? Villains scatter as their lives begin to crumble under a new regime.

And as Batman recovers from his epic battle through the Multiverse and the horrors of Knight Terrors, one name runs through his mind. One name at the heart of this new, safer Gotham...Catwoman.

A conflict that's been brewing for well over a year finally hits the streets, and it will fracture the Bat-Family as war erupts! From bestselling writers Chip Zdarsky and Tini Howard and artists Mike Hawthorne and Adriano Di Benedetto comes the opening shot in the Gotham War!

Every mission matters. Every life saved is a miracle. But this time, it's personal.

Dinah Lance is one of the DCU's most elite fighters, and combined with her sonic scream, she's a fearsome foe in any scenario...but sometimes even the Black Canary needs help. Faced with a personal mission brought to her by a mysterious new ally, and up against near-impossible odds, she re-forms the Birds of Prey with an unrivaled group of badasses—Cassandra Cain, Big Barda, Zealot, and Harley Quinn—and only one goal: extraction without bloodshed. What could possibly go wrong?

Kelly Thompson (*Captain Marvel*, *Black Widow*) makes her long-awaited DC Universe writing debut, and is joined by her *Hawkeye* partners-in-crime Leonardo Romero (*Batman*) and Jordie Bellaire (*Wonder Woman*) to debut an all-new, all-deadly Birds of Prey series...still breaking hearts and faces after all these years!

Things could not possibly be worse for Fire and Ice, in Beatriz da Costa's professional opinion. Superman sent the former Justice Leaguers packing for Smallville following an extremely public and utterly disastrous mission (that was all Guy Gardner's fault, thank you very much) and in doing so doomed them to a fate worse than death: *irrelevance*.

Ice finds herself drawn to the quiet life and dreams of planting roots. But Fire...well, Fire will do just about anything to get the heck outta Dodge and back on the hero circuit—including challenging the DCU's biggest villains to a knock-down, drag-out, live-streamed brawl in the streets of Smallville!

A raucous, timely, unflinching comedy about a decades-long friendship on the brink of disaster and what it means to be a superhero at a crossroads in your life, *Fire & Ice: Welcome to Smallville* reintroduces the iconic duo to the Dawn of DC, in a series from rising star Joanne Starer (*The Gimmick*, *Sirens of the City*) and *Moon Girl and Devil Dinosaur* co-creator Natacha Bustos!

"When you chase your own shadow...it leads you into the abyss."

In a Gotham City where every day feels darker and more irredeemable than the last, Batman makes a definitive choice—to kill off the Bruce Wayne identity for good and embrace the cowl full-time. But though he knows the streets of Gotham, Batman will soon come to find that he hardly knows himself. A serial killer is on the loose, and while the murder victims seem random at first, every clue draws Batman closer to the terrifying truth—that they are all connected, not just to each other... but to him...

When an all-new rogues gallery of utterly depraved villains begins to emerge from the depths of the city, Batman will have to contend with the very nature of evil—including that which lurks inside in the darkest corners of his own heart—to face what's coming for his city.

Batman: Gargoyle of Gotham brings Rafael Grampá's twisted vision of both the Dark Knight and the city of Gotham to life in a DC writing debut that will reach its icy black tendrils into the deepest and darkest corners of human nature and leave you gasping for breath—and for more!

Award-winning actor Paul Dano expands upon the backstory of the character he played in Matt Reeves's hit movie *The Batman*. This version of the Riddler isn't simply an amusing eccentric with an affinity for wordplay and baffling clues, but as terrifying a villain as any in the annals of the Dark Knight. Here you will see Edward Nashton evolve into a menace who holds all of Gotham City in his grip. How did an unknown forensic accountant uncover the dark secrets of both Gotham's underworld and its political leaders and come so close to bringing down the entire city? This prequel to *The Batman* presents the detailed, disturbing, and at times shocking story of a man with nothing to lose. Dano is joined by acclaimed European artist Stevan Subic, making his American comics debut. Collects *The Riddler: Year One* #1-6.

Two of the Sandman Universe's most beloved characters return to the spotlight!

Charles Rowland and Edwin Paine have been detectives for decades—and best friends even longer. But their investigation into a Thai American girl's disappearance from her Los Angeles home puts them on a collision course with new and terrifying Thai ghosts that could give even a dead boy nightmares! Even scarier than the ghosts? Though neither wants to admit it, the boys might be growing apart. And perilously close to the boys' adventure, Thessaly the witch finds herself held hostage by dangerous magics—both a threat to her life and an insult to her ego that will simply not go unanswered...

Eisner Award-winning writer Pornsak Pichetshote (*The Good Asian*, *Infidel*) is joined by celebrated artist Jeff Stokely to take the Dead Boys to the scariest place of all: the heart of Hollywood!

Batman is the World's Greatest Detective. But can he also live up to his other accolade of world's greatest dad?

Being a father to an endless supply of adopted, fostered, and biological children is its own challenge. But when you're Batman, surrounded by a slew of super-powered (and not) teenagers, you'll need every bit of your intellect to manage the brood. And Wayne Manor can barely contain the antics of Nightwing, Batgirl, Red Hood, Orphan, Spoiler, a few Robins, and newcomer Duke Thomas, a.k.a. the Signal, as they learn not only what it is to be heroes, but what it means to be a family.

In this continuing story, we are greeted by a few newcomers, including Catwoman, Superboy, Impulse, Wonder Girl, and other well-known faces from Gotham City and beyond in stories about dating, learning to drive, going on patrol, and simply what it means to be a teenage superhero.

Written by CRC Payne with inks by Starbite, this volume collects episodes 26-51 of WEBTOON's Eisner-nominated series, optimized for a brand-new reading experience in print. Includes never-before-seen bonus content from the creators themselves!

Christopher Chance has made a living out of being a human target—a man hired to disguise himself as his client to invite would-be assassins to attempt his murder. He's had a remarkable career until his latest case protecting Lex Luthor, when things go sideways. An assassination attempt Chance didn't see coming leaves him vulnerable and left trying to solve his own murder, as he has 12 days to discover just who in the DC Universe hated Luthor enough to want him dead by slow-acting poison. And the prime suspects happen to be…the Justice League International?

This volume collects *The Human Target* #1-6, the first half of the murder mystery.

The Titans are back, united against a common foe...aren't they? All seems lost when Tim Drake wakes, out of uniform and seemingly out of time. Surely he was just fighting alongside Nightwing, Superboy, Starfire, Beast Boy, and Donna Troy. But where is Raven and what links her to the Fearsome Five? A blood sacrifice is coming that will change the world forever. Collects all six issues of the limited series.

SERIES PREMIERE

EDENWOOD—An eons-long series of multiverse wars between demons and witches has found earth as its latest and final battleground. The battle pits NECRONEMA, the ever-expanding demonic land which supplanted the Midwest twenty years ago, against EDENWOOD, the witchcraft-controlled land that acts as a barrier between the warzone and the rest of the U.S. In the first story arc of this ongoing series, readers are introduced to RION, a young man born during the apocalyptic events of southern Illinois, who is thrust into the role of hero and leader.

Summoned by the WITCH WAR COUNCIL, Rion must assemble an elite team of DEMON HUNTERS tasked with annihilating a list of targets within the demon-controlled lands. But Rion has his sights set on a young and powerful witch being held prisoner deep within Necronema. The mission is one of search and destroy... however, Rion feels he's been chosen for more than just a demon killer.

Written and illustrated by ***New York Times***-bestselling author, **Tony S. Daniel** (***Batman***, ***Deathstroke***, **NOCTERRA**).

BLACK CLOAK

BLACK CLOAK, VOL. 1 TP

From Eisner Award-winning writer **KELLY THOMPSON** (***Black Widow***, ***Captain Marvel***) and superstar artist **MEREDITH McCLAREN** (**HINGES**, ***Jem & The Holograms***), **BLACK CLOAK** is a delectable fantasy and sci-fi blend with a detective procedural shot straight through its heart.

Essex and Pax are two Black Cloaks investigating the murder of a beloved prince of Kiros, the last city in the known world, before it topples into chaos. Mayhem. Murder. Mermaids. What more could anyone want?

Featuring nearly 200 pages of story, this collection contains the first arc of the series that ***AIPT*** says, “Combines elements of sci-fi, fantasy, and noir into something wholly original and compelling. Move over, **SAGA**. This is my new obsession."

THE LAST BARBARIANS, VOL. 1 TP

In a world where your guild means everything, classless Sylv is labeled a Barbarian. She's a jack of all trades who can fight, pick most pockets, and cast a spell or two. But without official membership to a guild, she's barred from having adventures. No adventures mean no money, and no money makes it awfully hard to support herself and her 7-foot-tall disabled brother.

But when an underhanded cleric says he's got the quest of a lifetime for her, she can't really say no (even if she knows she should). It'll take every skill she's got to stay alive, save a child, prevent the fabric of the universe from being ripped apart, and prove that being multi-skilled isn't totally barbaric.

OCTOPUS PIE: THE COMPLETE SERIES BOX SET

LIMITED TO 1000 SETS. ALLOCATIONS MAY OCCUR.

The award-winning webcomic series following 20-something best friends Eve and Hanna as they navigate the ups and downs of city life—soul-sucking jobs, heart-stopping romances, and all the social trappings of Brooklyn's indie sleaze era—is now collected in a handsome five-volume box set. The unique box design gives uniformity to differently sized volumes.

Since its ten-year run, **OCTOPUS PIE** has been celebrated for the depth of its characters and its broad emotional resonance, cited as one of the “best comics of the 2010s” (***The AV Club***) and a “decade-long masterpiece” (***Slate***). The series is the recipient of two Ignatz Awards and two NCS Reuben Award nominations, and has been inducted into the Library of Congress' Webcomic Collection as a title of significance.

OLD DOG [REDACT] ONE TP

Jack Lynch was a once-promising C.I.A. operative. On the eve of his retirement, looking back at a failed career, he is tasked with one final mission...that goes horribly wrong. He wakes years later to a changed world—and deeper changes within himself. And when a shadow group offers Lynch a second chance at a life of adventure, he's paired with the last person he ever could've imagined.

In this collection of six high-octane adventures, an old dog learns some new tricks...

OLD DOG is a striking new spy-fi series by **DECLAN SHALVEY**, the accomplished and innovative creator behind books such as ***Moon Knight***, ***X-Men Unlimited***, **INJECTION**, and **TIME BEFORE TIME**. ***Winter Soldier*** meets ***Mission Impossible*** in this ***Bourne***-esque action/espionage blowout.

CONFETTI REALMS OGN

On Halloween night, when the moon is full, teenagers get up to mischief. But when an encounter with a giant, sentient puppet in a graveyard sends five teens to a mysterious dimension called the Confetti Realms, they must overcome obstacles in their own friendships–and collect the debted teeth owed to the puppet–in order to make their way home.

But the allure of staying in a fantasy world is a hard one to beat, and going home to their normal lives is starting to sound less and less appealing for some. Will these friends return home?

EXORCISTS NEVER DIE #6

(END OF SERIES) Pride goes before the fall! So it makes sense that Pride is the most dangerous demonic sin of all. It's a perfect trap for combat exorcists Syd Miller and Ellen Blair, who have done what no other exorcist has ever done. They've fought and exorcized their way to the final level of the Hellscraper. On the other side of a massive chthonic door sits the largest Soul Auction in generations. But after all they've survived, how can Syd and Ellen not feel pride? The very success that's gotten them so far makes them easy marks for the last sin in line. To beat Pride and stop the Soul Auction in time, Syd and Ellen must take on one last impossible task: attempt to perform the Messiah Flow, the so-called nuclear option, a flow that channels the power of the messiah himself!

There's just one catch– it's killed every exorcist that has attempted it.

From the creator of the bestselling Sheets, a Barnes and Noble Best Book of 2018!

Following the events of Sheets and Delicates, Lights brings Brenna Thummler's characters, artwork, and ghostly charm back to life.

Marjorie Glatt's life was forever changed the day she discovered a group of ghosts hiding in her family's laundromat. One of those ghosts was Wendell: a lonely phantom turned Marjorie's best friend. When he and Marjorie are joined by ghost-enthusiast Eliza Duncan, the three friends band together in friendship, bravery, and all things paranormal.

Wendell died far too young and now must wander the Land of Humans with nothing more than a sheet for a body. He knows how he died—a tragic drowning accident—but lately he's grown curious about his past life. He wants to know more about why he died, not just how he died. It's not easy, though, since Wendell's memory of his human life has grown increasingly blurry. With Marjorie and Eliza's help, they set out on a journey to find out more. When they hear a rumor about Wendell's death, they wonder if it might not have been an accident after all. Meanwhile, Marjorie and Eliza's friendship is tested when Marjorie starts to befriend the very people who used to bully Eliza.

In the third and final installment of the Sheets trilogy, Wendell will finally uncover the truth of his human life. Marjorie and Eliza will learn that some people really can change. Most of all, they start to see that everything can cast shadows, but if you look hard enough, you can find the light.

Hysterically funny, refreshingly imaginative, and written with a dyslexia-friendly font, this colorful graphic novel series follows Quinnelope and friends as they adventure through Pleasant Towne to solve their wackiest everyday problems. Quinnelope wakes up one morning to learn all the cookies in her kingdom have gone missing. Dun dun DuUuuUUuUU-UnNN!!!! The bakery and grocery store aisles are full of cakes but NO COOKIES. What is a cookie-obsessed queen supposed to do?! Solve the mystery of the cookie catastrophe, of course! Along with her dutiful butler, Bub, and loyal companion, Star, the trio set out on a mission to find the missing cookies and restore these tasty treats to Pleasant Towne once again.

But their quest isn't as easy as it sounds. Womp-wompppp. They'll need to battle through a cookie-dough volcano, confront the chocolate chipmunk mountain, face off against egg-splosive enemies, and more in order to track down the missing Cookie King. Will Quinnelope be able to bring the Cookie King and his delicious cookies back to her kingdom, or will she be doomed to eat crummy cakes forever? Find out in this hilarious and colorful debut graphic novel series from Kayla Coombs and HF Brownfield perfect for fans of Investigators and Dog Man!

ALL WRAPPED UP! Now collected in one big book, you can read every Wrapped Up story all in one place!

Milo is just your average twelve-year-old boy. His loving parents are mummies, his best friend is an old wizard, and his babysitters are witches. When Milo isn't busy at school or visiting the comic book store, he loves to hang out with cool teen vampires, play with magical kitties, feed a hungry kaiju, and avoid a love-crazed gorilla at all costs. You know, typical kid stuff.

Wrapped Up: The Complete Collection includes all the original stories from kid comic favorites Dave Scheidt (Mayor Good Boy) and Scoot McMahon (Sami the Samurai Squirrel)...all wrapped up in one hilarious book!

"Great fun!"—Dav Pilkey, creator of Captain Underpants and Dog Man

Talli is a Summoner: a nearly extinct people, hunted by those who fear their mysterious powers. As a baby, she was adopted by Lord Borin, and all was well for many years... But Talli has been sent on the run by the forces of Lord Ulric, who wants to exterminate the Summoners. With Ulric's forces led by the ruthless Captain Nina hot on her heels, Talli and her loyal protector Alan find themselves with a motley crew of companions and allies that includes the lethargic-but-incredible swordsman Lélo.

A climactic battle has cut them off from their chosen route, and now they find themselves traversing the deadly and mysterious Forbidden Forest. Can Talli and her team make it to the other side without getting eaten by wild animals, and find refuge in the kingdom of Lady Sybbyl? Will she perfect her control over her incredible powers in her moment of need?

Talli, Daughter of The Moon is an incredibly epic adventure from French-Laotian cartoonist Sourya that evokes the best of manga and bandes dessinées in one sweeping narrative.

Lincoln and his ten sisters Lori, Leni, Luna, Luan, Lynn, Lucy, Lola, Lana, Lisa, and Lily are back in this extra fun and extra LOUD collection of three LOUD HOUSE graphic novels.

Lincoln is still adapting to being the small fish on campus as a new middle schooler. Speaking of fish, when his class pet goes missing, Bolhofner will stop at nothing to get his fish back even resorting to his secret weapon: garlic-sauerkraut-anchovy-limburger cheese sandwich. Will the fish be found? Can Lincoln ever get the scent out of his nose? Find out!

Then, another mystery! What has Lincoln's best friend, Clyde McBride, been up to? He's been sneaking around, whispering with the gym teacher, and even messing up their secret handshake. Lincoln is on the case! Back at the Loud House home, the line for their one bathroom hasn't budged during the morning rush. With everyone accounted for, who could be holding up the line and who can get that door open first?

When Lincoln sees his neighbor with Luan's puppet, Mr. Coconuts, in the garden, he fears the worst! It's up to the Loud kids to stop a thief. The thrilling (and hilarious) conclusions to all these stories and more await!

AND: Check in with Lori Loud at Fairway University and start some trends with Leni Loud. Seafoam Green: So in! PLUS: Race to the finish line with Lynn, get a new Rock n' Role Model with Lily, and make a muddy mess with Lana, test a new UFO with Lisa, and embrace your dark side with Lucy.

Three newly-translated classic Asterix stories in one volume!

Asterix is a fearless Gaul with a magic potion that grants him incredible strength to protect his village and ward off the Roman Empire from invading. With his pal, Obelix, they not only defend their village from the blundering Roman legionairies, but also lend their services to the rest of the world.

First, Asterix and Obelix and their tone-deaf bard Cacofonix attempt to bring rain to a far-off Eastern Kingdom in "Asterix and the Magic Carpet." Asterix and Julius Caesar race head-to-head to implement their "Secret Weapon" to their forces and advance into a new age. Their futures are female. And finally, Obelix gets his hands on the magic potion and flees the village. Can the King of Atlantis help? Find out in "Asterix and Obelix All at Sea." Plus: a new Asterix Afterword by Alexander Simmons, providing historical and cultural context, both in 50 B.C. and in the time the classic comics were created.

In the year 2055, technology has transformed the human experience, using Nerve Reading Devices (N.R.D.s) to share dreams and Emo-Regs to filter and regulate emotions, leading pain and suffering to become commodities in a world that has made them virtually illegal. But a growing group of addicts, called eJunkies, continue to seek every kind of human experience by using drugs containing other people's memories, including painful ones, in the form of an alternative drug (ALT) known as Torch.

When Hector Holmes, a disgraced investigator and eJunky, nearly overdoses on Torch, his previous partner from the Alternative Reality Investigation Squad (A.R.I.S.) requests his help to stop The Guardians of Pain—a terrorist group distributing Torch to ""wake"" people to a painful and buried past in an effort to start a revolution. Hector enlists Astra, a dream celebrity whose television channel is hacked by the Guardians to promote their revolutionary message. Astra's celebrity status gives Hector access to every level of society, helping him get close to the cult group's leader, a mysterious figure known as X. With Astra's help, Hector scours the city and his own mind in pursuit of the Guardians, hoping to find some clues in the memory experiences they sell on the black market. But dosing these experiences comes with a price, and after several doses of Torch Hector's reality blurs, pulling people from his life into his Torch-induced visions. As Hector's mind unravels, he must confront a forgotten and painful past to stop a horrific future.

SCOOT. Mortimer is a young bird... who can't fly. His wings just aren't big enough, not yet, but that doesn't stop his well-intentioned parents from making him jump off the tree branch, again and again and again. It's terrifying and painful for Mortimer -- but he keeps trying. Then, one night, he overhears his parents talking, and discovers that they suspect he's a lazy bird! Mortified, Mortimer decides to run away from the nest. He won't return until he has learned how to fly.

Mortimer's journey takes him to a place he has never seen or heard of before: The City! There, he discovers strange metal creatures (cards) and strange gangly creatures (humans) -- and meets the most talkative worm who has ever lived -- Lucius! Mortimer also happens to be a vegetarian, so the two strike up an almost immediate friendship.

It's not soon before Lucius hatches a plan that will allow Mortimer to visit Wormland -- a plan that involves a human sock and the invention of the largest worm who has ever existed!

But danger lurks as a group of military birds are planning an attack during Wormland's most important holiday, Wormy Squirmy Day. Caught in the middle, Mortimer will be forced to choose between siding with the worms and siding with the birds -- or will he?! Special 5.5x8.5 Scoot trade size.

Ranger Stranger is about a deranged forest ranger left in charge of the fictional wilderness Hackaneck National Park – a vast BobRossian landscape of breathtaking meadows, lakes, and vistas for the adventurous camper to enjoy.

Unfortunately, everything – the flowers, the deer, even the park official – wants to murder you.

Sound scary? Oh, it is. Especially with Ranger Garland Woodburn on the trail. Don't let the classic Hollywood leading man smile fool you, Woodburn's passion for nature and proclivity for horror-homicide struggle to maintain balance in his addled mind.

But not all is lost. Each episode pulls from a myriad of real outdoor topics such as hiking, fishing, or toad licking. The novel is designed like a stylish 1950s field guide written by a guide with questionable knowledge of the field.

A dark comedy filled with action, adventure, and the worst the world had to offer, Road Trip to Hell follows Francis Rhoades, a young man with the ability to see horrible things in a person's future just by touching them. His life has been full of hardship, but things get even worse when the demon Baphomet informs him that his father is Satan and he's been destroyed.

Now, Francis has been designated the new king of Hell. The catch? All the damned have escaped from Hell, and if one of them can kill Francis before he can reach the netherworld himself, they will become the new leader of Hell! With the help of his sister Star and his literal guardian angel Joan of Arc, Francis needs to survive his trip to hell... hopefully without losing his own soul in the process! SCOOT. Jordan and Walt love comics, especially those that follow the adventures of their favorite real-life superheroes! Jordan idolizes the high ideals and selflessness of the more noble heroes, but Walt prefers the street-level vigilantes who punish the bad guys with crippling force. When the fifteen-year-olds decide to don ski masks and patrol their neighborhood to become heroes themselves, they are easily beaten by a mugger and narrowly escape becoming stabbing victims themselves. Undeterred, they try again, but this time there are guns, and this time there are radioactive canisters, and this time... well read the trade of Wannabes to find out!

The complete collection of cartoonist Cam Marshall's joyful queer slice-of-life webcomic!

Best friends Mason and Kimmy live through their early twenties in the early '20s, navigating a global pandemic and terrifying job market alongside making friends, dating, and playing way too many video games. But when shy and nervous Mason can't find a boyfriend, it's up to Kimmy to play matchmaker!

Who will it be? The cute boy down the hall with the Sailor Moon mask? A mysterious stranger from the dating profile that Kimmy masterminded? Or maybe the angsty barista from the neighborhood coffee shop? A stubbornly hopeful and funny comic about the bonds between queer and trans friends, the families we make, and the happiness we find in each other.

This title is a softcover comics collection ideal for college age and up.

The whole of Miskatonic County lies under a cloak of horror. Leaden clouds darken the sun, and horrific creatures lurk in the countryside. The Last Hope Orphanage finds itself under seige, and the only possible salvation resides on the page of a book of spells, itself cursed and profane. An unlikely assembly of heroes will undertake insane odds in their quest for the book: Lysa, aided by a demon's head kept in a lantern; Jack, with his amazingly unstoppable truck; Rocco, haunted by a berserker madness from fighting in the trenches; Annabelle, the young voodoo queen of New Orleans with her dark powers. Time is running out. The way is shrouded. ""They"" are everywhere. In the deep, the nightmare waits dreaming.

Four years in the making, the exact duration required to bring the prized crop to harvest, Ginseng Roots reaches its finale. Craig drives across the country for his parents' 50th wedding anniversary and wrestles with the ghosts of his childhood.

His mother dreams of the Christian Rapture, his father sleeps in a barn with Mexican migrants, Phil imbibes ginseng moonshine, and farmers leave the ginseng industry to grow marijuana instead. This double-length issue sprawls across rural Wisconsin, reflecting on aging parents, changing America, and where to find a sense of belonging. As Craig's mother says, "It didn't work for us to have a family root." All this, plus backup pages revealing the behind-the-scenes process from thumbnails to edits to pencils.

Nic and Henry—father and son—stumble on an old forgotten park and make a bizarre discovery. Someone has marked all the trees with wads of chewed gum! Who is the gum bandit?

Reeling from recent family upheaval, Nic navigates the brave new world of single parenthood. Meanwhile, his ex-wife descends into addiction, abuse, and homelessness. Amid the turmoil, he becomes increasingly and desperately obsessed with exposing the gum vandal. Can Nic rise to the occasion and come to terms with his new reality? Or will he let the past drag him back into despair and denial, threatening the thing he holds most dear: his relationship with Henry, his son?

Pill Hill, Nicholas Breutzman's darkly funny and utterly heartbreaking memoir, plunges the reader into a world of horrifying Tinder dates, flea markets, lizard people, child protective services, black holes, time travel, and stress-induced psychosis.

Part Cat o' Nine Tails and part Shameless, Pill Hill is the story of a single father's increasingly strange preoccupation with tracking down said gum vandal while navigating the brave new world of single parenthood and his ex-wife's shocking descent into addiction, abuse, and homelessness.

Miles Davis and the Search for the Sound is a synesthesia-inducing official graphic novel that follows the many lives of music legend Miles Davis.

With narration adapted from Davis' own words and an innovative visual style that shifts to reflect Davis' constant musical changes, this 150-page graphic novel follows Davis through four decades of musical innovation, all centered around his quest to find a mysterious sound he heard on a moonlit country road as a child.

Meticulously researched and expertly crafted by writer/artist Dave Chisholm—a doctorate holder in jazz trumpet from the Eastman School of Music—Miles Davis and the Search for the Sound deftly explores the often volatile journey of Miles Davis and his world-renowned music.

Miles Davis and the Search for the Sound is a graphic novel you'll have to hear to believe–it'll make you SEE music in a whole new light.
